## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose a network conferencing system having an output electronic equipment for presenting the contents of the presentation to be presented by the output electronic equipment, a plurality of attendant electronic equipment operated by users attending a conference, wherein each attendant electronic equipment comprising an information input/output unit for inputting and outputting information from and to the other attendant electronic equipment and the output electronic equipment via the communication network, a presentation unit for presenting the contents of the presentation by using the output electronic equipment, a presentation contents browsing unit for browsing the contents of the presentation presented by the presentation unit of the other attendant electronic equipment using the output electronic equipment, an authentication unit for carrying out authentication of attendance of the other attendant electronic equipment at a conference, an equipment management unit for managing the state of each electronic equipment connected to the communication network, a display unit for displaying, as icons, the other attendant electronic equipment with their attendance authenticated by the authentication unit and the electronic equipment managed with the equipment management unit, and a proceedings control unit for obtaining information for preparing the proceedings by using the contents of the presentation presented by the presentation

Art Unit: 2144

unit, wherein the display unit has a separate area for icon display of the generating electronic equipment and an area for icon display of the output electronic equipment, thus providing the icon display of the generating electronic equipment and the icon display of the output electronic equipment. These limitations in combination are not taught nor obvious by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gertrude Arthur-Jeanglaude whose telephone number is (571) 272-6954. The examiner can normally be reached on Monday-Friday from 8:30 a.m. to 6:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wiley David can be reached on (571) 272-3923. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
